### QUESTIONS

#### Case scenario

Sambhav Ltd., a company registered under GST and engaged in manufacturing and e-commerce operations, operates in multiple States across India. The company procures raw materials from various suppliers and supplies finished goods both domestically and internationally. It also acts as an e-commerce operator (ECO), facilitating third-party transactions as well supplying goods and services on its own account, through its portal round the clock. During its financial review, the management of XYZ Ltd. observed the following:

The company discontinued its operations in the State of Assam from 15<sup>th</sup> December. The online application for cancellation of registration was furnished on 5<sup>th</sup> January. The registration was suspended from the same day. Further, the order for cancellation of registration was issued on 2<sup>nd</sup> February wherein the cancellation of registration was made effective from 31<sup>st</sup> January.

The company paid an amount of ₹ 5,00,000 alongwith the tax payable thereon to its supplier – Rudraksh Enterprises - pursuant to the settlement of dispute in December of current financial year. The company had earlier reversed the ITC related to supply received from Rudraksh Enterprises due to non-payment of consideration and tax amount. The invoice was issued by Rudraksh Enterprises in the month of September of the previous financial year.

The company provided accommodation services to Governmental Agency of Gujarat (registered under GST only in the State of Gujarat) in its own hotel located in the State of Rajasthan. The accommodation services were provided for the stay of employees of the Governmental Agency of Gujarat who had to attend a training programme organized by the Central Government. The total amount charged by the company for such service was ₹ 25,00,000.

During the month of January, Dumdum Ltd. supplied goods worth ₹ 75,00,000 through the company's e-commerce platform. Out of this supply, the goods amounting to ₹ 15,00,000 were returned in January. Further, the company also supplied its own products amounting to ₹ 20,00,000 through the e-commerce platform in said month. The amount of hotel accommodation services supplied through its e-commerce portal by hotel owners not required to obtain registration under GST [in terms of section 22(1)] amounted to ₹ 20,00,000 for the month of January.

The company also completed a project for the construction of road (taxable under GST) for a Government agency on 31<sup>st</sup> December. The total time taken for completion of project was more than 13 months. As per the contract signed with such agency, the last tranche of payment of 25% of the total contract value was linked to the date of issuance of completion certificate by the Government engineer. The completion certificate was issued by the Government engineer on 15<sup>th</sup> January. However, the invoice for such supply was issued on 5<sup>th</sup> February and payment was received on 20<sup>th</sup> February by the Company.

7. As per proviso to rule 59(1), a registered person may, after furnishing the details of outward supplies of goods or services or both in Form GSTR-1 for a tax period but before filing of return in Form GSTR-3B for the said tax period, at his own option, amend or furnish additional details of outward supplies of goods or services or both in Form GSTR-1A for the said tax period. Thus, Mehul Enterprises has the option to furnish the details of the invoice issued to Vaishali Traders in Form GSTR-1A on or after 14<sup>th</sup> February but before filing Form GSTR-3B for January. The corresponding effect of the changes made through Form GSTR-1A on the liability of Mehul Enterprises shall be reflected in Form GSTR-3B for January.

Further, rule 60(7)(ia) provides that the additional details or amendments in details of outward supplies furnished by the supplier in Form GSTR-1A filed after the due date of furnishing of Form GSTR-1 for the previous tax period shall be reflected in Form GSTR-2B for the current tax period. This implies that at the recipient's end, the ITC for the supplies declared or amended by the suppliers through Form GSTR-1A will be available to the recipient in Form GSTR-2B generated for the next tax period.

Thus, the details of missing invoice of Vaishali Traders will be available in its Form GSTR-2B for the month of February.

8. As per the provisions of section 10(1)(ca) of the IGST Act, 2017, where the supply of goods is made to an unregistered person, the place of supply would be the location as per the address of said person recorded in the invoice and the location of the supplier where the address of the said person is not recorded in the invoice. Further, as per Explanation to the said clause, recording the name of the State of the said unregistered person on the invoice shall be deemed to be the recording of the address of the said person.

Accordingly, it is clarified vide *Circular No. 209/3/2024 GST dated 26.06.2024* that in the cases involving supply of goods to an unregistered person, where the address of delivery of goods recorded on the invoice is different from the billing address of the said unregistered person on the invoice, the place of supply of goods in accordance with the provisions of section 10(1)(ca) of the IGST Act, 2017, shall be the address of delivery of goods recorded on the invoice in the present case where the delivery address is located.

Also, in such cases involving supply of goods to an unregistered person, where the billing address and delivery address are different, the supplier may record the delivery address as the address of the recipient on the invoice for the purpose of determination of place of supply of the said supply of goods.

Thus, the place of supply of laptop in the given case is Bareilly, Uttar Pradesh.
